Dear Mike,

Thank you for the e-mail and fax. I received them OK.
There are 17 drawings in this patents application. It would be extremely helpful to have them too. Could you please fax them to 718-657-0404 or e-mail images to my e-mail address.

Best regards,

Nikolay

Yes Mike,

I got the drawings. Now I need to allocated time to look at this. How different is this application from the original one? How scrupulous do I have to be or what do I have to pay my attention to in particular?
Forgot to ask you. What is that push-pull-data patent lost by USPTO? I have never seen that one. I think it could be a good idea to get it to me as well. I'll do both of them simultaneously. It is easier when it is fresh in my memory.

Regards,

Nikolay

Nik,

You received the drawings. Correct?
